Florence, 11, 27, '63.

Dear Garrison,

Please tell friend Wall-
cut to credit Mrs. F. P. Judd of this place with
$3.00 on Liberator account, & change the
same to me.

I received the other day a circular, headed about the Decade meeting
"Special Invitation," & containing at the foot
a request that an answer should be sent to you
or J. M. McKim. I did not at once reply, because
I could not say whether I can go or not. I rather
hope now that I shall be there, but cannot speak
confidently. Having occasion, however, to send
to your office, on account of Mrs. Judd's payment
for the Liberator I thought I might as well
allude to the other subject, though I have to
speak doubtingly.

Very Truly Yours,

C. C. Burleigh.
